Replies	Replies show insight, depth, and understanding. They connect with the original post and add to that post by including references to supporting material (e.g., URLs, files). Personal opinion is appropriately expressed & and clearly related to the original post.	Replies are rather simple but show some insight, depth, or connection to the original post. Some material may be irrelevant, but personal opinion is appropriately expressed & and posts as a whole show understanding.	Simple replies that lack insight, and depth, or are superficial. Entries tend to be short and frequently irrelevant to the original post. Does not express opinion clearly. Shows little understanding.	No replies
